## **Informa AllSecure is Art Miami's approach to enhanced health and safety standards**

Safety is the top priority, and Art Miami will adhere to strict measures to protect visitors, exhibitors, and staff. The Fair will be run according to U.S. Centers for Disease Control and Prevention guidelines and local authority guidance as well as any venue or location-specific regulations. Informa AllSecure is how these standards are being adopted in the business. It means that when exhibitors, sponsors, and attendees come to Art Miami events, they can connect, learn, know more, and conduct more business, effectively, safely and with confidence.

As a part of the AllSecure program, all attendees of Art Miami are required to show proof of a rapid antigen test (or equivalent) with a negative result within 24 hours prior to attending the Fair. Attendees may choose, in their discretion, to opt out of this testing requirement by showing proof of having received full vaccination more than 2 weeks prior to attendance. All Fair attendees will be required to wear a mask. Please be advised that these protocols are subject to change.
